DELEGATION OF ALLOCATION AUTHORITY
LOCAL ASSISTANCE ALLOCATIONS FOR PROJECT DEVELOPMENT COMPONENTS
OF LOCAL GRANT PROJECTS - TRANSIT
RESOLUTION G-01-03 ALLOCATIONS

BACKGROUND

On February 22, 2001, the California Transportation Commission delegated to the Department authority to allocate funds by Resolution G-01-03 for Project Development Components of Local Grant projects. In addition, the Commission delegated to the Department authority to advance the allocation by two years with the approval of the responsible regional agency. This authority allows the local agencies to begin work without waiting for the next CTC meeting to receive an allocation.

These Project Development Cost projects are included in the adopted State Transportation Improvement Program (STIP). The Department reports allocations on a monthly basis consistent with Resolution G-01-03.

SUMMARY

Pursuant to the authority granted by Resolution G-01-03, the Department made one allocation totaling \$100,000 for a project development component of a local transit project.

The project was programmed in Fiscal Year (FY) 2000-2001 and allocated in June 2001. Pursuant to the authority for advancing the allocation by two years, no advance allocations were made during this report period for transit projects or project components scheduled for implementation in FY 2002-2003 or 2003-2004. The attached list provides details of the allocation.
